Re: MASA-1745 and EASW-13

1. Provisional operational clearance for subject is granted effective 15 December 1952, so that you may continue your assessment. The office issuing this clearance has requested that Nadas be given a Carriage Test as soon as practicable, and that the results be forwarded to headquarters. Full clearance cannot be given until this is done.

2. We apologise for the excessive delay in straightening this case out. Please advise us whether you are still interested in recruiting Nadas, and if so, for what purpose.
