

26 November 1944

TO: Chief, SCI

FROM: Lt. Michaelis

SUBJECT: NEBELL, ZELLER, VLIEGEN Case - Situation Report

1. Since being assigned to this case the detachment has:
Furnished French version of original CIC Report on NEBEL for use by French interrogating Officer;
Copied CIC Report on VLIEGEN (in English).
Made copies (in French) of ZELLER's original statement to the local French authorities.
2. To date MAX has been engaged in further interrogation of both NEBEL and VLIEGEN. He has decided to turn NEBEL and work with him to contact various targets. He has learned, for example, that Richard MARTIN was arrested by the French at Montmorency in August and we are at present trying to determine in which prison or camp he is being detained.
3. Colonel ROTHSCHILD is writing up a report covering a thorough interrogation of NEBEL and ZELLER, on which he had started before we entered the case.
