Re: Miss Clay

Could you give us the benefit of your views about the attached statements by DELIA-VROCHIA and VIRANIE? These are, I take it, two of the three girls who cropped up in the REY case. Are we likely to receive a consolidated report on these three characters from Lord Rothschild? I am extremely sceptical about the value of any personal statements of this sort which may contain as much fiction as fact, and while DELIA-VROCHIA's account sounds circumstantial enough, I should prefer to have a proper interrogation report on this young woman and her two colleagues. Unless you are very anxious, therefore, to have the statements recorded in the REY case, I propose to return them to the War Room uncopied and unrecorded. Could you please let us have your views?
