1. NEY was observed at Christmas time 1949 in the Starnberg, Bavaria, area by a POB staff officer. This led to a renewed query to OFFSPRING to determine if there are any connections to NEY. OFFSPRING has denied this and has forwarded a GV A report, information, dated January 1950, from Hungarian emigre circles that NEY was supposed to be living in the vicinity of Cine Citta, Italy, though as of 20 December 1949 he was staying in Seefeld (French IS center), Tyrol, Austria.

2. In March 1950 NEY was reported to be in Rome, where he was supposed to have established connections to the Vatican and an Italian anti-Communist group, through which he was said to have made contact with a Spanish group.

3. NEY was reported as seeking connections to Serb royalists, through a Major "i. G. PAUNOVIC" (no POB traces), living in the Tyrol, whose intelligence collaboration he is said to have requested.

4. Although the above is somewhat old and on the rumor side, it is forwarded in view of the interest originally displayed by FDM.
