S.I. Number 5 to Pine, 6 June 1952

"1. We received your letter dated May 12 on May 27. Please acknowledge at once that you received our letters numbers 3 and 4 posted on April 10 and May 12. Number 3 was addressed to Dalip Zyberi, number 4 was addressed to Rijat Kolgjini as will be all others.

"We still intend to send you a friend and supplies as stated in our letters numbers 3 and 4 but will not do so until we have confirmation from you that you will meet him. He will arrive at the same meeting place where you met Koci and Dalip last October.

"2. You must be at this meeting place waiting for us between 6 July to 10 July and again between August 5 to 9 August. Write us to confirm this meeting. If you are unable to use this place write us at once giving us the map location you wish us to come to on these dates in July and August. It must be a suitable ground for the arrival of a friend, who is familiar with the same work as Dalip.

"3. Dalip must make every effort to communicate with us and will use the same signal plans as before and we will wait for news from him at these hours.

"4. All our letters will be addressed to Rijat Kolgjini as well as money and food packages in the future.

"5. Acknowledge receiving our letters giving us their numbers and dates you received them.

"6. The Voice of Free Albania radio has sent greetings to Pine Tree.

"7. Long live Free Albania.
