MEMORANDUM TO: GPP
COP ✓
SADO

SUBJECT: BOPFIEND Support Commitments

1. It seems apparent from recent developments that no firm understanding exists between OPC and the British regarding the responsibility of each party regarding the support of the VALUABLE or FIEND Operations.

2. While it is appreciated that firm commitments may not be possible until certain operational decisions are reached, such as the location of the operational base, OPC should be prepared with proposals to cover foreseeable possibilities.

3. Before approaching the British on this subject, therefore, it is suggested that the addressees meet with COS Monday morning, September 19, at 10:00 a.m. in the Conference Room of L Building.
