107-1 DAILY REPORT, WEDNESDAY 15 August 1951

BCFIEND

The six-man BCFIEND team headed by Hamit Matiani successfully crossed the Albanian frontier on the night of 9 August, in the vicinity of Kastoria. It is planned this team will operate in the area south of Elbasan where Matiani has long had a following. A supply drop to this team is planned for the night of August 22/23.

A British team which recently left Albania confirms the reports from two other sources that the BCFIEND "Olive" team dropped southeast of Gjinokaster on 24 July was ambushed on 27 July near the drop zone. The British team states that one man was killed, two committed suicide and one escaped. This information corroborates in detail the reports outlined in the Daily Report of 13 August.
