Attn: [ ]

1. Forwarded herewith is a debriefing report of the unsuccessful resupply mission flown on the night of 12-13 August.

2. Since Cypress has exfiltrated with the news that it was impossible to operate in its area, an explanation is provided for the absence of a reception for this mission.

3. The debriefing is important, however, for the intelligence gathered and for an account of LCBatland's most energetic show of reaction to BGFriend's intrusions.
