TOTALS ON BASIS INCOMPLETE INFO

7 Teams 47 men 9 casualties

11-sea
4-land
15-total

* Actual infiltration not reported.

** Four teams are known to have been infiltrated during 1951. All have successfully exfiltrated. Horse and Tiger are known to be two of the four. We also know of a two-man team, but it has not been identified by a code name. The fourth 1951 team and the two-man team were probably assigned two of the four code names bracketed above.
