

MEMORANDUM FOR: DEPUTY FOR POLICY COORDINATION, SE

SUBJECT: Daily Progress Report, Monday, 28 January 1952

1. BQFIEND. The BQFIEND representative [] has cabled to the effect that he is endorsing a meeting of the NCFCA General Committee scheduled for the first week in February. Its purpose will be to resolve outstanding differences between the various parties and to develop a course of action for the various NCFCA sub-committees to follow so that definite political and economic programs will be ready when the Hoxha government is overthrown. The decisions reached at the Congress will be submitted to the FIEND/VALUABLE representatives for approval.

2. JBEDICT. A cable was sent out [] alerting them to the forthcoming trials in Athens of Greek Communists arrested last November following the discovery of two W/T transmitters manned by Communists. [] have been requested to obtain maximum publicity in their areas for the trials, and a sheet of propaganda guidance material has been pouched to all field stations. [] has been queried regarding the desirability of using a multiple-translating device at the trials, to attract more international reporters and to play up the world-wide implications of Communist subversive tactics.

3. BGCONVOY. [] arrived in Washington today.

4. QKBROIL. No report.
