**BOFiend/BOFlume Monthly Progress Report - 15 February to 15 March**

**1. Program Content**

HTGrubby broadcast daily during the period with the exception of two days in March. The general program format remained unchanged, with the standard division into news, talks, and announcements. Among the internal events which drew heavy comment were the KMWaahee budget and the announcement of the Second Congress of the KMWaahee BOGypsy Workers scheduled for March 31. It is planned, as the date approaches, to discuss the Congress almost daily from various points of view.

Among the continuing campaigns which were pushed steadily during the period were the direct appeals to various groups to abandon the regime and support the nationalist movement. Appeals made earlier to members of the BOGypsy, civil servants and soldiers were repeated and some new talks along these lines were written.

On the relevant dates, the BOBgood drops on Identity (1) and Identity (2) were reported. In these reports no mention was made of the methods of distribution.

**2. Personnel**

During the period, HTGrubby temporarily lost the services of NRDdrawer, who went to TPCredo for an ulcer operation, and [redacted], who went to BOBiddy on loan to QKFerror. To balance these losses, RNRloter, of the HTMelon Party, was taken on as a full staff member. RNBBrandy, of the XNMaledict Party, was taken on as a part-time writer. He will remain in QKDimple and prepare scripts from there.

**3. Reaction to HTGrubby**

We have still had no reaction to our broadcasts from inside the country. This remains inconclusive, since the flow of refugees died down to nothing in February. We have therefore not yet found a KMWaahee who came from a town with a radio after we had been on the air for any length of time.

**4. Reaction to BOBgood**

After the reporting period expired, a KMWaahee refugee arrived in ICFlake who had been in one of the garget areas during the first BOBgood drop. Arrangements have been made to interrogate him closely.
