MEMORANDUM FOR: CHIEF, POLITICAL AND PSYCHOLOGICAL WARFARE

SUBJECT: Daily Log.

EQFIEND.

Headquarters has agreed to a second proposal by the British that a joint EQFIEND/VALUABLE meeting be held in the immediate future. Our liaison officer [ ] reported that his British counterpart views the present situation as requiring London-Washington handling, in view of his fear that the National Committee for a Free Albania might split over political and operational differences unless the two Services coordinate their action. [ ], meanwhile, has concurred in London's first proposal, saying the meeting would be profitable if only to have the current VALUABLE position placed on record. Although [ ] proposed Malta as a suitable meeting place, Headquarters has suggested that it be held in Washington.
