Chief, SE

SNAM/DOFIEND
RNLUMPIT

REFERENCE: OIRA - 1193 (KAFOK 2616)

On receipt of the reference, [] look up the question of RNLUMPIT's assignment with the local representative of JAVELIN. He pointed out that FIEND/VALUABLE collaboration might be jeopardized if the continuity of VALUABLE's representation in Rome were broken by the replacement of RNLUMPIT. The JAVELIN representative agreed with [] position and said he would relay BUEARE views on the matter to his Headquarters. We have just learned that JAVELIN has informed its representative in Washington that RNLUMPIT will be continued in his present assignment. We have been told that his headquarters has no intention of transferring him from Rome and intends to keep him there indefinitely.
