MEMORANDUM FOR: CHIEF, POLITICAL AND PSYCHOLOGICAL WARFARE

SUBJECT: Daily Log

OBOPUS: In reply to a message from the Department of State, which was sent at the request of CIA, the U.S. Ambassador to Egypt reports that he has spoken with the Egyptian Foreign Minister, expressing the hope that former King Zog of Albania will be permitted to leave Egypt with such property as remains to him, without exposing him to further actions which would tend to diminish his prestige as top Albanian leader and important figure in the anti-Communist struggle. Ambassador Caffery states that the Foreign Minister assured him that he would raise the Zog question immediately with Vice-Premier Nasir and the new Minister of the Interior and endeavor to meet our wishes. (Department of State outgoing cable 385 to Cairo (control 01083); Department of State incoming cable from Cairo 410 (control 1381); Log, 2 October 1953).
