SPECIFIC— AICOCK Monthly Activities Report
15 February - 15 March 1954

1. During the above mentioned period of time AICOCK, OBOPUS informant of Albanian activities in Lavrion, reported to the writer on four separate occasions. Since the latter part of December 1953 AICOCK has been bearing the brunt of reporting to OBOPUS on the status of Albanians and their activities in Lavrion.

2. Following are items of information which are of interest and value to OBOPUS reported by AICOCK:

a. On the 18th of February AICOCK informed the writer that Identity 1, a member of the XNMALEDICTS in Lavrion, had become disillusioned with his party policy toward HTNEIGH and indicated regret for not having supported Henry R. Malament. AICOCK further stated Identity 1 was not alone in his new attitude in that approximately six or seven other XNMALEDICTS supported his views. These same dissidents also indicated refusal to sign any petitions against HTNEIGH or MALAMENT.

b. During the meeting of 24 February AICOCK reported that the XNMALEDICTS at Lavrion appeared during that week to be on friendlier terms with Lavrion authorities. This is contrary to past attitude of camp authorities regarding XNMALEDICTS. AICOCK reported that Identity 2, an Albanian lawyer in Athens who is a personal friend of Richard N. Zeff, paid a visit to the camp authorities in Lavrion. During this visit Subject was accompanied by two Greek Army Officers. AICOCK stated he attempted to learn the reason for Subject's visit to Lavrion but was unsuccessful. Among the rumors concerning this lawyer's trip to Lavrion, the most prominent one concerned the disappearance and imprisonment of RNBRANDY.

c. On the 3rd of March AICOCK submitted the Albanian refugee status report which covered a period of three months and brought OBOPUS files up to date. RNBRANDY previously had been charged with this responsibility.

d. During the meeting on 10 March the writer discussed with AICOCK the
