SPECIFIC— Fig Team Operational Progress Report, 15 February-15 March 1954

REF: SGAA-8537, 23 February 1954

1. Nothing special to report on Fig Team.

2. On February 25 AIRWISE was examined by an ear specialist, Dr. Andonatos, 19 Charilaou Trikoupi Street, Athens. Subject's hearing of the right ear is irreparably lost (95%) whereas that of the left ear is badly impaired (65%). Subject was advised to report to the doctor 3 or 4 months later for further examination. He is not suffering any discomfort from this condition and has expressed his eagerness to conduct another mission on several occasions.

3. Other than weekly contacts with AIRWISE to insure his team's welfare, there were no significant occurrences during this report period.
