a. Action Reported by Field

1. The October propaganda leaflet flight over Albania was successfully completed on the night of 31 October. The drop included one million copies of the October Shqipëria digest and token articles such as combs, razor blades, needles and thread. Light and very inaccurate anti-aircraft fire was encountered over Korcha, Elbasan and Lelas.

2. The digest contained articles on the atomic energy for peace plan, the successful resistance of Hungarians as the result of united action through clandestine cells, Communist treatment of former heroes, and resistance instructions to Albanian students; news items; a photograph of a group of recent Albanian escapees with appropriate comment; and a political cartoon based on the insecurity of the Communist hierarchy.

3. The field requested and obtained approval to print 20,000,000 stamp-sized leaflets carrying the National Committee for a Free Albania slogan and symbol. These leaflets will be dropped as supplements to the newspaper digest in future air drops.

4. A report received subsequent to the September Project Status Report stated that 300,000 newspaper digests and 22,000 envelopes containing small articles such as razor blades, combs, etc. were dropped during the September propaganda flight.
