NOTE TO MILITARY JUNTA:

Word has reached me from Yugoslavia that the Yugoslav Interior Minister has graced certain Albanians residing in Yugoslavia of Kossovorian origin.

*Reborn* *Let me*

My informant states that Rexh Berisha and Myftar Planea are included in this group and have been given all the privileges and rights of Yugoslav citizens.

My informant also states that Berisha is now residing with relatives in Peja, and Planea is residing with friends in Prizren.

I should like to charge the Military Junta with the responsibility of confirming this report (from its sources).

If true, this would appear to release the National Committee for Free Albania from any agreements they made with Berisha and Planea. Thus, the pay being accumulated for them would cease immediately, and no further funds would be sent to them as has been the case during the past.

*Green Team*

*Red* For your information my informant advises me that Adem Gjurra, Ramadan Cenaj, Halil Nerguti, and Sali Dali Allamani remain in a Yugoslav concentration camp.
