A SUMMARY ABOUT THE LATEST HAPPENINGS IN ALBANIA

You will excuse me first of all, asking you very fervently, to keep the following discreetly because of the situation in the interior of our country.

I/

Iden (A) had no knowledge about those, who though holding high and strong posts in the present Communist administration are still in contact with us.

From our side:

His mission was only to take contact with three people: and no more

A/ Iden (C) - Brother of Iden (B)'s father, his uncle

B/ Iden (D) - Their influential friend

C/ Iden (B)

The first two, named above, came to a complete understanding with Iden (A) and promised him also their aid to bring him into contact with Iden (B) promising him his adherence as well. Unfortunately Iden (B) seized this as a chance of ingratiating himself in the present regime's good graces and with the help of a cousin of Iden (A) - Iden (E) they inveigled him to the house of another cousin by marriage Iden (F), under the excuse of taking there contact with Iden (B) and there they caught him.

For this action Iden (B) was rewarded and named Iden (G). In spite of all this the day will come when he will capitulate.

The confessions, which we all heard in the wireless were of course well prepared by the communists themselves.

The calling of the following teams by Kabashis radio was also of course done by their diabolical terroristic methods.

However we are assured of one certainty, that this implacable campaign shows unease, fright and the unstability of the regime in Albania .

It is unfortunately natural that without sacrifice a nation cannot obtain her liberty.

This is the road we will follow without weakening till communism is annihilated unless we wish to live in alavery.
