1. A few items which may be of use to POCAPON as stated in reference have been located within () Base and have been passed to him. The following other items would also meet the requirements, if they can be declassified or sterilized:

a. FJBW-2084, Enclosure #1: "Khrushchev's Link with Liu", from Foreign Report, 10 February 1955. CONFIDENTIAL

Portions will clear
b. ODACID Intelligence Report 6880, 5 April 1955, "Recent Sino-Soviet Economic Efforts to Penetrate non-Communist Asia." CONFIDENTIAL

Please inform us whether anything can be done to make these reports available.

QW's told
2. Portions of the ODACID "Report on Soviet Model of Colonial Imperialism", forwarded by FJBW-2123, 29 March 1955, would be excellent. This report is unclassified. May appropriate sections be passed to POCAPON? If this is done, will it be possible to replace them by an additional copy from Headquarters?

any
3. Also useful would be Attachment 3 to FJBW-2255, 19 April 1955 (Hinton's study "Chinese and Soviet Approaches to Collectivization of Agriculture") and Attachment 4 to the same dispatch (an editorial from The Economist, dated 19 March 1955, about Soviet economic difficulties). These have already been put to use by KUCAGE. It would be appreciated if an additional copy of each could be sent for POCAPON; together with whatever additional material you have gathered in response to referenced request.
