CLASSIFICATION

23 SEP 1955

TO : Chief, FE DATE \_\_\_\_\_

FROM : Chief of ( ) Base, ( ) <sup>AWB</sup> INFO: Chief of Station, ( )

SUBJECT { GENERAL : Operational/POCAPON  
SPECIFIC : Forwarding of FJBA/PRQ/195, Part II

REFERENCE : FJEW-3224

There is forwarded herewith PRQ Part II as directed by reference. The application of Form No. 51-95 B in this case is difficult and we are sending various portions separately. To gain a more complete impression of the man and of the possibilities a good relationship with him can mean, an FPOP is required. Even there, trying to fit the KUBARK-POCAPON relationship to the format of an FPOP will be incongruous at best.
