REPORTS ON GERMANS

DECLASSIFIED AND RELEASED BY
CENTRAL INTELLIGENCE AGENCY
SOURCE METHOD EXEMPTION 3B2B
NAZI WAR CRIMES DISCLOSURE ACT
DATE 2007

Ricardo POST

Corpulent, ruddy complexion, about 45 years old, well dressed.

Uses several official cars of the German Embassy, among these a DKW and a Mercedes. He brought over a new car from France, a Chenard Walker, which he sold shortly afterward. Up to a short time ago he was using a DKW make car belonging to a German who lived in the calle de Antonio Maura.

He is intimately associated with Hans OTT RAUS, seeing either OTT RAUS or his wife constantly. They hold lengthy conferences and he attends to the sale of motors belonging to OTT RAUS.

A month and a half ago, due to the fact that the house of OTT RAUS in the calle de Chamartin de la Rosa had been broken into, they held a conference of more than three hours sitting in the car out in front of Hans OTT RAUS's garage.

POST knew of the existence of the card file placed in the custody of OTT RAUS, having withdrawn his own file from it.

On a certain occasion and in the absence of OTT RAUS, POST took from the garage a Bosch compressor, it is assumed that OTT RAUS was aware of this.

At other times POST took OTT RAUS with him to Madrid in a car owned by POST.

When the Senora de BAYER left a metal file cabinet --office type-- at the garage of OTT RAUS, it was shown to POST together with other materials -- radio parts, motors, dynamos, etc., that were there.

He carries a small caliber revolver, apparently about 9 m/m.

Box 302

During the war he was in Madrid as assistant to the Air Attache, and also had dealings with the person in charge of the mail pouch, with whom he went to carry away the group compressor mentioned previously.

The aviation mechanic Miguel YUGA, about whom we have reported before, placed him as chauffeur with General DOERT.

Kammer Doerr

When Generals KAMMER and DOERT escaped on their way to be turned over to the Allies at the airdrome at Barajas, POST and YUGA both visited Hans OTT RAUS.

From other sources and from statements made by POST himself, his German colleagues, especially OTT RAUS, know that POST is rendering certain kinds of services to the Americans.
