31 October 46

TO: Captain E. O'Neal, USFET
FROM: Mr. Henry D. Hecksher, AMZON
SUBJECT: SS Sturmabfuhrer Hengelhaupt, in Charge of Group VI C (Russia, Far East) of the RSHA
REF: R-6112 (LTS-762)

We gather from para 12 of the Annex to the Intelligence Division Summary #7 of the Control Commission for Germany (British Element), dated 15 Oct 1946, that Subject has not yet been traced. Subject, who directed the (Zeppelin) undertakings of VI C and who was concerned with the referate for Russia throughout the war, was by all accounts the kingpin of German political espionage directed against Soviet-Russia and the importance of apprehending him can hardly be exaggerated. We do not believe that a concerted effort has been made as yet to locate Subject's whereabouts, last reported seen in May 1945 in the vicinity of Flensburg (British Zone). This will become increasingly difficult in view of the fact that Amt VI has been declared a criminal organization by the Nuremberg Tribunal. We would, therefore, recommend that CIB, USFET, make a determined effort now to cover all available leads.
