MEMORANDUM FOR: Chief, SR/2

FROM : SR/DOB AECOB Project Case Officer

SUBJECT : Attempts to Raise S/W from Correspondence furnished by OZOLS.

REFERENCE : Paragraph 15 (d) of Memorandum for the Files, dated 27 January 1953, entitled "Meeting with JANIS OZOLS for the Purpose of Debriefing."

1. In accordance with the reference and your confirmation, dated 25 March 1953, the correspondence (consisting of one letter and one postcard) which we procured from OZOLS were furnished to TSS with the request that attempts be made to raise any possible S/W.

2. We have now been informed by TSS/SAD in a memorandum dated 17 April 1953 (SAD Memorandum 136) that "there was no evidence of S/W at all on any of the items."

3. The aforementioned correspondence is being retained by TSS.

4. It is felt that the fact that no S/W was apparent in this correspondence should be transmitted to OZOLS. This could only serve to ingratiate ourselves, and put him in a better frame of mind for cooperation with us while not jeopardizing any of our activities in this case. Please indicate whether or not you approve of this step. No action will be taken prior to receipt of your approval.
