PERTINENT INFORMATION				
<p>14.</p> <p>Extract:</p> <p>UJNUTLET <input type="checkbox"/> raised the UJNUTLET operation in mentioning to KUNZE that UJNUTLET had had an OWVL commo channel with the RIS and that it was possible that the OWVL tape in UJDROWSY's safe dated back to the latter stages of the UJNUTLET operation. <input type="checkbox"/> said it would be interesting to determine just when Ujnutlet had his last OWVL broadcast - presumably was a short time before he committed suicide. KUNZE said she believed UJNUTLET had committed suicide in early August 1959. She talked at some length about UJNUTLET's background and the fact that she was convinced his suicide was simply because he was depressed due to the death of his wife, the fact that he did not really believe the German authorities would or could protect him vs war crime charges, plus the fact that he had a very guilty conscience about some of his wartime activities. In addition, Kunze mentioned that UPHILL (UJDOWSY) had officially taken over the UJNUTLET op from the Bavarian LIV sometime in 1956, (contrary to what @FLEMING earlier had stated on this subject.) Kunze also mentioned that in the "Spiel Material" that UPHILL had authorized Nutlet to pass to the RIS there had been info concerning the background of Wilhelm HARSTER and the suggestion that he was recruitable and a good agent candidate for the Soviets. Kunze noted that UJNUTLET had, of course, passed roughly similar info concerning UJDRUG and it was on the basis of this that the RIS contact with UJDRUG had been taken up after the suicide of UJNUTLET.</p>
