1. We have discussed the matter of recruitment with CATALINA, and he has fully agreed to provide us with leads to possible radio agents. We have briefed him along the same lines as we briefed CACHALOT, and he will look for the type of qualifications we have outlined to him.

2. At the same time, CACHALOT saw [ ] on 7 August and pointed out to him that he cannot meet the terms we have set for our requirements in radio agents. I will reopen this whole question at a later date with CACKLER, but for the time being we have to forego this productive source of potential agent material. We will keep you advised in future on the agent prospects as they are submitted to us.
