

SECRET

27 March 1951

The staybehind tabulations for GERMANY (excluding Zipper) are:

<u>Date</u>	<u>No. of Complete Commo Links</u>
1 April 1951	0*
1 July 1951	3**
1 Jan. 1952	9
1 Jan. 1953	20

* Three operators and several radios are now available; crystals, ciphers, and signal plans have not yet been completed.

**Plans have been upset by the recent discovery that buried ~~xxx~~ sets have deteriorated. This necessitates the recovery, examination, and probable replacement of all sets buried so far, a program which is under way. Since sets are being buried at a somewhat faster rate than operators are being trained, it is expected that this situation will again be in hand by the end of calendar 1951.

The tabulation for the DISEMBODY operation in Czechoslovakia is:

1 April 1951	0
1 July 1951	0
1 Jan. 1952	2
1 Jan. 1953	6
