SUBJECT: Operational Clearances in PASTIME Project

1. The undersigned is now engaged in taking over the entire PASTIME project from the previous case officer. Unfortunately for the development of this project, there has been a considerable turnover in case officers, with the result that our files are not in as good condition as they might be.

2. Since there is no indication in our files concerning the status of a number of PASTIME agents as to operational clearance, we should like to request your cooperation in checking your files in order to aid us in bringing our own information up to date. We recognize that this is not ordinarily a task which we should ask you to perform, but there seems to be no other method we can employ.

3. We have either partial information or none with respect to the operational clearance status of the following: CALAMUS 1, 2, 2A, 3, 4, and 26; CADGER; CATARACT 2; KIBITZ 1, 2, 3, 4, 5, 6, 7, 8, 9, 9a, 10, 10a, 11, 11a, and 12. The status of the following agents in the chain of KIBITZ 15 is not known: KIBITZ 15 6 and 15 8.

4. Your assistance in this matter will be greatly appreciated. Real names can be given you on request.
