	<p>1. Based upon operational considerations still in the planning stage, we do not want to pass the material contained in ROMM-1746, 19 November 1959, to UPSWING.</p> <p>2. Although there is always the possibility that the RCV may in the future pass to UPSWING some of the material we have given them, we doubt that there will be any reason for embarrassment on our part with reference to Subject, since UPSWING's last memorandum to us on him was tantamount to a statement of no interest, while the RCV on the other hand is definitely interested.</p>
