z. H. des Herrn WEBER

BETRIFFT: Vladimir PEKELSKY and Frau, Maria BLASCHKOWITZA

BEZUG : Mündliche Anfrage des Herrn Schroeder vom
16. Oktober 1973

1. Attached are two reports previously released by this office in 1969 and 1970 which clearly outline the basis for suspicion as NY agents against PEKELSKY (correct spelling) and his wife.

2. Traces on this couple are still pending with other agencies concerning their previous contacts with U.S. Agencies. We have so far established that this couple was in contact with U.S. Agencies until the early 1950's. Completed traces will be forwarded when completed.

3. It is suggested that prior to proceeding in this case, you also trace PEKELSKY with all German agencies.
