Ing. Cesare BACCHINI

Director, Ditta BACCHINI of Radio Construction, Milan.

Ditta BACCHINI is the same as the SAFFA, one of the largest companies of radio and radio construction in Italy. From information received, the Ditta BACCHINI has contracts of long duration with the Germans. At the present time, it works for and gives necessary materials for such construction to the Germans. Therefore, the Ditta BACCHINI is in a condition to provide the construction of all kinds of radio sets and is in possession of all the materials necessary for such construction.

Ing. BACCHINI is in contact with the Navy, having a son, Sottotenente di Vascello in this service who is now stationed in Naples.

Our representative will be introduced to Ing. BACCHINI through a letter which said representative will deliver to the Ing. from his son.
