Letter Received by Dr. Nicholas POFPK

REFERENCE: (a) Conversation of 5 January 1950 between Mr. Carmel Offie and Mr.

1. The following information is furnished you in accordance with your request and for your information and whatever use it may be. The quotation below is from a letter written by M. A. Lilley in December 1949 to Dr. POFPE. Lilley is described as a member of the Intelligence Division of the British Army of the Rhine with headquarters at Herford, Germany. His private address is R.M./F.H.Y.N., London, W.C.I. The file number appearing on the letter is INT/DIV/MAL/PF 20511.

2. "I have today been to see the zonal rehabilitation officer of IRO in Lango, and explained to him the perplexity of your boys' situation. He asked me to give him your boys' address and has promised to write to the rehabilitation officer of IRO in London, who happens to be a personal friend of his, requesting him to do all he can to enable them to join you in the USA. He is certain that they can be registered in the UK for IRO protection, but points out that the final word in this matter rests with the USA authorities. Que voulez vous allons que je fasse? I have also given IRO your address, and if you should hear of any further developments please let me know."
