

MEMORANDUM FOR THE RECORD

22 April 1954

SUBJECT : Nicholai POPPE

1. [] (FE/FI/IS) called today and said that he ~~xxx~~ has been advised (presumably by RQM/OIS) that Dr POPPE did not receive a grant to attend the International Congress of Orientalists, but that Dr POPPE would be glad to attend the Congress for expenses, which are listed below:

Transportation (from Seattle to Cambridge)	\$1,053.57
Per diem (@ \$25/day)	250.00
1 day in Washington (debriefing)	<u>25.00</u>
Total	\$1,328.57

2. Later today I told [] (OELW-2728) that we have not heard from our request to London, asking for BI on delegates to the Congress from China or the USSR, so until we find out who is going to attend we do not know whether it is worth the money or not to send POPPE.

3. Without going into too many details Budget said that we could charge the money to any ^{one} of the following three ^{at the} (~~also~~ it probably wouldn't justify a project):

OOA

Admin Expense-China

A* Project (although not likely)
