Translation of overt text of letter to AECOB/6. *(Latterman)*

Greetings, dear friend !

It has been quite a long time since I had any news from you.  
Why have you been silent ? I hope you are no longer angry with me !

I believe that if we could only talk things over together,  
we could clear away the old misunderstandings and it would be so  
much easier for both of us. I am writing to your place of work, as  
I am afraid there might be some unpleasantness if they found out at your  
home that I am writing to you.

I shall wait for news from you.

With fond greetings,

Your Mirdza.
