1. In connection with the MOB trace request of Reference B, we note in Reference A a remark that VESSELOV "was planning a trip of about one week's duration to Munich to speak with a man named MICHELSON about getting MICHELSON's family out of the USSR via the VESSELOV method" - (we have no details re the "VESSELOV method"). According to the source of this information, SHURA 228, this is an "absolutely private affair."

2. We presume that MICHELSON is identical with Aron I. MIKHELSON.

3. Although this information is no doubt dated, it is forwarded in the event that MOB has any interest in the activities of MIKHELSON.
