FROM : Chief, Munich Base *IT*

DATE: 21 February 1958

INFO: Chief, EE
COS, Germany

SUBJECT: GENERAL— Operational/DPDORIC/QXACTIVE

SPECIFIC— Transmittal of CAM 8-58: Second Telephone Approach
from Moscow to TPLINGO Employee

REFERENCE: EGMA 31531 - 24 January 1958

ACTION REQUIRED: None. For your information.

MICROFILMED
AUG 24 1964
DOC. MICRO. SER.

We previously transmitted with Reference CAM 108 which told of a telephone call received by a TPLINGO employee from relatives in Moscow urging him to return home. On 13 February 1958 the same employee received a second such call -- this time placed directly to the telephone in the Section where the man works at TPLINGO. We are sending CAM 8-58 under separate cover; it records the circumstances of this second call.

MEMORANDUM

SECRET

CAM 8-58

SUBJECT: Telephone Call from Moscow
for Alexander NOWIK

DATE: 19 Feb 1958

DATE RECEIVED: 18 Feb 1958

SOURCE: Edgar Forsberg from American Committee Switchboard Operators

ACTION REQUIRED: For your information and file

Alexander.

On Thursday evening, 13 February 1958, at 7:30 PM, a call for Alexander NOWIK was received at Radio Liberation from Moscow. ~~NOWIK~~ (DOB: 7 Jul 1923; POB: Moscow, USSR; Adr: Clemenstr. 2/II b. Hermann) is a monitor for Radio Liberation. The call did not come on the line 62941, which is the line on which long distance calls usually come, but on line 62949 which is the direct line after 8:00 PM for the Monitoring Section.

Note: See CAM 108 for information about another call from Moscow which NOWIK received.
