MEMORANDUM TO: Acting Manager, News Department  
FROM: Special Events Correspondent  
SUBJECT: Field Trip to Zurich, September 3 - 4, 1958

I spent an evening and a day at the Eighth International Student Press Conference in Zurich. Aim of the trip was the broadening of our contacts with editors of student newspapers and magazines in all parts of the world and finding stringer correspondents as occasional contributors to our Student Program.

Here is a list of my contacts, their addresses, and a brief word on the kind of collaboration agreed on.

ALGERIA. M. Aoufi, 1, rue de la Barre, Lausanne, Switzerland. Aoufi is the former president of the Paris region chapter of the Union Générale des Etudiants Musulmans Algériens (UGEMA) and now resides in Switzerland as a political refugee from France. Aoufi is an FLN militant. He is studying law at the University of Lausanne, does publicist work for FLN and UGEMA, and is responsible for university placement of Algerian student refugees. He is an outspoken anti-Communist, despite contacts and trips to Soviet-bloc countries. He told me that his biggest present problem is finding opportunities for Algerian students to continue their studies in Western countries so as to avoid having them accept the scholarships offered by countries like Czechoslovakia and the GDR. "Once one of our men has spent a year or two at Leipzig or Prague, he is lost for the revolutionary struggle of the Algerian people. There is no room in our ranks for doctrinaire Marxists." Aoufi expressed his willingness to write for us occasionally. His command of French is excellent. The subject touched on above might be an excellent starter. Aoufi was accompanied at the Conference by Abdennour Abrous, another Algerian student whose address beginning October 1 will be Columbia College, Stephens, Ohio. Abrous is one of the first Algerian refugee students accepted for study in the USA. His political views are similar to those of Aoufi. There may be interesting programming possibilities open to us by contacting him after he has been in the United States for a few months -- or after his return to Europe.

AUSTRIA. Herbert Mauser, Kolingasse 19, Vienna IX, member of the Executive Committee of the Union of Austrian University Students (Oesterreichische Hochschülerschaft). He expressed his eagerness to cooperate with us and introduced me to Anton Wendler (Hanuschgasse 3/II, Vienna I, Tel. 523837/2618; home address: Hoehnegasse 5/I, Tel. 3362708), newly appointed press officer of the OeHS.
