ECMW 6529, 13 August 1958

1. In accordance with the request contained in paragraph two of ECMW 6529, appropriate and secure arrangements have been made whereby BGCALLUS ^{Contact} has been enabled to contact AEVIRGIL 125 for the purpose of preparing a research study on the subject and in accordance with the outline provided as attachment B to ECMW 6529.

2. Since a research study of this kind is precisely the type of activity in which BGCALLUS regularly engages, it was a relatively easy matter to arrange for the contact between BGCALLUS and Subject. AEVIRGIL 125 agreed on September 9 to undertake this project for a fee of 1500 DM. He anticipates that he will write from thirty to fifty pages and will require some six to eight weeks to complete the project. Presumably an arrangement will be made to reimburse BGCALLUS for the 1500 DM which they will pay to AEVIRGIL 125 at the completion of this assignment. Please advise how this will be accomplished.
