MEMORANDUM

FROM: [] Radio Liberty

Please pass the following to Richard Hale, U.S. Embassy, Nigeria:

We just interviewed Theophilus Chukwueneka Okonkwo, a Nigerian medical student who recently completed three years at Moscow University and now returning to Nigeria for Nationality Day celebration October 1, 1960. Okonkwo says he expects 300 member Soviet delegation to celebration and this has prompted his return to set people straight on real aims of CP in Nigeria. Okonkwo made very strong anti-Communist impression here and gave Radio Liberty an excellent interview for broadcast in student show. Okonkwo indicated he would be returning to Frankfurt/Main "soon" to finish medical degree requirements. Said he felt other two African students from USSR travelling with him in Europe were soft on Communism.
