REFERENCE(S)

DIR 35709, 20 June 1960

1. ⌐   ⌐ (Iden under separate cover) is presently assigned to BGACTRESS Headquarters.

2. Prior to his present assignment, he served for approximately six years with QKACTIVE in Munich, in both editorial and security officer capacities. He is an accomplished linguist and is proficient in the Spanish language, among others.

3. Subject's cover in his new post will be that of an employee of PBAFFIRM in Spain. As such, he will report directly to the PBAFFIRM Station Manager at Barcelona, and through him to the President of PBAFFIRM, New York. He will be responsible for all PBAFFIRM security liaison with the Spanish authorities, ⌐   ⌐ He will require no administrative support from KUBARK, Spain except secure communications to Headquarters when necessary.

4. It is requested that the question of the proper overt job title for Subject be reviewed with ⌐   ⌐ and the PBAFFIRM Station Manager, Barcelona, and that Headquarters be advised by cable of their recommendation and that of ⌐   ⌐. In the view of BGACTRESS, an overt title of Security Officer for PBAFFIRM in Spain, like that in effect in Munich, would be preferable but if this would cause complications with the Spanish authorities a more obscure title like Assistant to the PBAFFIRM Station Manager would be acceptable.
