REFERENCE(S)	<p>1. On 7 March 1960, <input type="checkbox"/> met with Iden A, the head of PBAFFIRM, who was in London for the day, returning to New York from a business trip to Germany, France and Spain. Iden A reviewed briefly his trip, especially his visit to new TPLINGO transmitters on the Costa Brava which are scheduled to commence operating in the near future.</p> <p>2. Iden A said that he had to return to New York during the week of 7 March because his organization's budget was under discussion. He said he did not know how much money would be available to his organization in the coming year but "by osmosis" anticipated that a five percent cut might be in the offing. He hoped that there might be no reduction and expressed his belief that if they were able to retain their present budget, he could continue operating without any significant cutbacks in his organization's efforts.</p> <p>3. Iden referred to his extremely close and effective relations with the new head of QKIVORY. His comments indicated that relations between the two groups, both in the United States and in Munich, were extremely good and had never been better.</p> <p>4. It was agreed that it was not advisable for Iden A to try to meet with Mr. Ralph MURRAY or any other British officials since he was merely passing through London and had nothing to discuss with them, at this time.</p> <p style="text-align: center;"><input type="checkbox"/> <input type="checkbox"/></p> <p>Attachment: Iden (u.s.c.) <input type="checkbox"/></p> <p>Distribution: 4 - Wash 2 - Pari</p>
