1. One hundred copies of publication subject of para 1 of reference D were received by EPMATE on 15 March 1963. The delay in delivery was due to the usual local customs and postal procastinations and general mismanagement.

2. On 28 March, eighty copies of issue #16 were delivered to the Secretary of Public Instruction for distribution to the various schools throughout Liberia. The Secretary was instructed to furnish EPMATE with a complete distribution list of each issue. We shall forward copies of each list for your information as they are received from the Department of Public Instruction.

3. Payment for a year's subscription will be forwarded as soon as the necessary vouchers are processed by EPMATE.

4. A careful study of the publication subject of para 2 of reference D showed it to be in our opinion much too sophisticated for local consumption. However, as suggested in reference D, EPMATE will write to that publication for further information.
