 Suggest Passing Attachments to KUWOLF/Prop

1. Yevtushenko's appearance in Munich 21 January 1963 has already been reported on extensively through a number of channels. However, it occurs to us that you may wish to get additional materials for analysis.

2. We are sending as attachments to this dispatch a number of PBCHORD reports and local newspaper clips on the Munich visit, TPFEELING reports on his Hamburg visit, and a tape recording of the actual Munich reading and question period. (The recording was made on a portable tape recorder by a PBCHORD staff member sitting in the audience. It is of poor quality but is for the most part understandable.)

3. We suggest you pass these materials to KUWOLF/Prop for analysis and possible use in a future Bi-weekly Propaganda Guidance. FYI: both TPFEELING and PBCHORD find these guidances most useful and to be improving in quality.
