Dear

You will recall the organization INTERDOK about which I asked you some time ago. I met with persons from this organization, last week in the Hague. Their Secretary-General, C. C. van den Heuval, is going to the United States in early spring and will look into the possibilities of opening an American branch. They asked me for suggestions for candidates from various organizations who may be interested in associating with them. It might be very interesting; however, I do not know whom to suggest. They are interested in Frank Barnett and the National Strategy Information Center. They also would be contacting AFL-CIO people. Would you have any suggestions for me to pass on?

Thank you.

Jack

Best regards,
