Dear Mr. Anin,

More than a month ago I sent you a complete set of the journal "The Israeli Courrier," and, at the same time, I sent a detailed letter. For some reason I haven't received any answer up to now, and so I am quite anxious. I ask you most sincerely, dear Mr. Anin to answer me as soon as possible and to tell me whether or not you have received the above-mentioned journals and the letter.

As I wrote to you earlier, my frequent and regular correspondence with you is for me the greatest moral aim of my life. I have also written to you before that, since I lived for 41 years of my life in the Soviet Union, I have had a good deal of experience in Soviet problems. Especially in the last years when I traveled very extensively and visited more than half of the Soviet Union I gained quite a bit of experience. In addition to having experience and information about everyday life, I have special information of a kind which could be of particular interest for the U.S. Government and also for the governments of other countries which are members of the NATO Alliance. To be sure I do not have information of the type provided by the late Colonel Oleg Penkovsky (may he rest in peace) for I was only a little man in the Soviet Union. Nevertheless, as I have indicated above, I have, as a result of my travels, seen and remembered a great deal about the years I spent in the Soviet Union.

Even in my first letters to you I told you that I tried very hard to harm the Communist regime while I was in the USSR. Now I consider it my duty to carry on what is called in Communist terminology, "subversive anti-Soviet activity." It is for this reason that I would like to make my information known to those who might be interested in it. Having lived in the last five years before leaving the USSR

(June 1960 to May 1965) in the Donbass in the city of Zhadanov, Donets Oblast, it was possible for me to pick up rather valuable and important information about Donbass. I know something also about Central Asia and Trans Caucasia. I earnestly ask you, Mr. Anin, to give me some idea of where I might convey the above-mentioned information. Could I convey it to you, directly to the US, or to some other place? In this latter case, which address should I use? How should I send this information -- by mail or in some other way? Would it be possible for me to transmit it in person to the Embassy of the United States in Tel Aviv or to the Consulate General in Jerusalem where I am living? If yes, whom should I contact? Thus, in conclusion, please send me an answer as soon as possible. You can send all information to:

A. Jaroslavski  
(for Victor Kurt)  
str. Ovadia 9  
Jerusalem, Israel

In the hope of receiving a prompt and positive reply I remain  
sincerely yours.

Yours,
