SUBJECT	DTDORIC/QKACTIVE/Operational Response from [ ] to Book Dispatch re BGCALLUS																
ACTION REQUIRED - REFERENCES																	
REFERENCE: Book Dispatch #5784, 7 November 1966																	
<p>1. The following message NJAA-6139, 19 December 1966, was received from [ ] to Book Dispatch 5784.</p> <p>a. We found reference dispatch particularly interesting, in view of the fact that we have recently set up a Soviet operations unit with Liaison in Amman. Unfortunately, we know of no Russian-speaking Jordanians who could be sent for the training offered in paragraphs 3 and 4 of reference. It is possible that in the future we would be able to send a few selected members of the Jordanian Service, but training would have to be in English or Arabic.</p> <p>b. Regarding paragraph 1 of reference, we do not have any present assets whose manuscripts we could submit to the BGCALLUS. We might, if WOVIEW wishes, use our Liaison unit to circulate BGCALLUS publications in Jordan. In any event, we would be interested in receiving at least one copy of each BGCALLUS publication which could be passed to the Chief of our Liaison unit.</p> <p>2. Copies of recent publications should be sent to Amman from Munich. If Munich would also provide its current Jordan mailing lists, Amman might be able to assist with these.</p>
