| (5) | Sisesti           | (4448N-2249E) |
| (6) | Titerlesti        | (4503N-2245E) |

2. References:

Operation SHADED is a sub-project of QKBROLL

3. Purpose:

- A. To infiltrate a two-man reconnaissance team into target area.
- B. Targets - Documentation and information regarding security elements inside target areas
- C. Tasks - Agents are to contact friends known to them to be anti-Communist, gather information pertaining to border and target area security regarding border guards, militia, securitate, internal police, and to obtain, if possible, all documentation required by person in target area - such documents to be obtained through buying, friends, theft or any other feasible means.

4. Personnel:

A. Two agents involved in operation:

- (1) [ ]
- (2) [ ]

B. Personal data:

Agents have been recruited and personal data submitted in EGQA-4180, dated 10 November 1952, and OFGWU-3580, dated 19 June 1952.

5. Cover:

A. Cover used by Case Officer in contact with agents is that of a [ ] officer engaged in refugee relations and problems.

KAPOK

B. Agents' cover performing operational task:

- (1)   - lower-middle class unskilled industrial worker, machinist assistant, presently unemployed, looking for work
- (2)   lower-middle class, unskilled industrial machinist, presently unemployed, looking for work
- (3) Both agents will live in black and will not establish residence due to short time mission.

6. Contact and Communication:

- A. During training and briefing stage of agents, case officer will be in direct contact with agents. Contact will be severed during performance of mission.
- B. Agents do not have sub-agents.
- C. Communications: Agents will utilize postal channels from inside target area to a dead letter drop outside target area when necessary, in order to signify pre-determined situation.

7. Control:

- A. Control over agents  
Agents will remain in physical custody until actual performance of mission into target area. Threats can be used to expose families in Rumania to Communists. Threats can be used to return agent   to Yugoslav authorities.
- B. Agents' motivation  
Both agents are anti-Communist and highly motivated ideologically.

8. Special Equipment:

Agents' special equipment will consist of reproduced personal documentation and, possibly, a camera for photographing documents inside target area.
