SUBJECT: "Questions for Communists"

TO: Heidelberg, "KROBY"  
ATTN: [ ]

DECLASSIFIED AND RELEASED BY  
CENTRAL INTELLIGENCE AGENCY  
SOURCE: METHODS EXEMPTION 3828  
NAZI WAR CRIMES DISCLOSURE ACT  
DATE 2007

1. The attached booklets are forwarded to you as of probable general usefulness.

2. Although these booklets were prepared primarily for American consumption and, hence, would have to be revised considerably for use in other areas, it is my own feeling that this form of presentation is a very effective one. The idea of providing ammunition for debate at the union hall and beer garden level has worked out very well in this country, and it occurs to me that [ ] in particular, might undertake something along the same line.

3. In regard to [ ]'s general activities, we are advised that one Wilhelm Cornides, editor and publisher of "Europa-Archive", Frankfurt, maintains a large and useful morgue of reference material. [ ] might find a contact here of value, if he has not already made one.

This document is part of an integrated file. If separated from the file it must be subjected to individual systematic review. [ ]
