NAZI WAR CRIMES DISCLOSURE ACT  
DATE 2007

1. You have advised me orally that five Ford automobiles are now available in our warehouse for shipment overseas. These automobiles were supplied to us by OSO in return for five which OPC previously had made available to OSO.

2. It is requested that these five vehicles be shipped immediately to the OPC German station in compliance with the request contained in reference dispatch.

3. It is further requested that orders be placed for four additional automobiles, preferably Ford, Plymouth or Chevrolet sedans, to be shipped to the German station in July and August.

4. In WASH 4040 (OUT 81917) authority was granted to the German Mission to purchase four German-made cars for operational use.

5. This request for additional vehicles is based upon an anticipated sharp increase in the size of our German Mission during the remainder of this calendar year.
