Comment: For detailed report on the seizure of power in Constanza by Duga, see GR-73 of 14 December. See also GR-88 of 18 December, for General Radescu's reaction to Duga's "coup".

- General Radescu has made the following report to the Council of Ministers concerning Duga: On Saturday, December 16, Duga came to Bucharest in response to General Radescu's order and for the purpose of reporting to General Radescu. Duga was very respectful and even contrite in his manner and behavior toward General Radescu. Duga stated that he was doing the best he could to be a good Prefect and that he had probably made a number of mistakes, for which he was sorry. General Radescu stated he was very firm with Duga about his conduct in general but concluded by confirming Duga as the Prefect of Constanza.
- According to General Radescu's statement to the Council of Ministers he told Duga to go back to Constanza and carry on his work but to bear in mind that he would be summarily dismissed as Prefect if he makes any more mistakes. Moreover, if Duga makes any mistakes which are sufficiently serious, General Radescu will not only dismiss him but will punish him. Duga promised to obey the orders and instructions of General Radescu and to conduct himself in a proper way.
